LIFETIME ACHIEVEMENT AWARD

Dr. Shyamal Digamber Naskar (Vice President Project of B.G. Shirke Construction Technology Pvt. Ltd., Maharashtra) - Lifetime Achievement Award (Civil Engineering)

When asked regarding the reason behind the beginning of such an event in this domain, the Founder stated, "Entrepreneurs should always seek new methods to increase their profile and propel their company ahead, and winning a business award is one of them. Even if you don't succeed, it's an excellent method to assess your development so far. As the entire world is currently at a standstill position due to the Pandemic, there are business leaders working with great perseverance and extending their part in keeping the economy

Mr. Anish Kumar, (President), Mr. Kaushal Singh, and Mr. Avinash Kapri, (Managing Directors) elaborated the aim and the objective behind organising the "Leaders Awards 2022. Through this event, they seek to recognize the innovative and emerging companies in India and honour their outstanding performance and contribution to the economy. The achievers were selected from different categories that covered everything from internal communications to public relations. With such a scope, the Leaders Awards 2022 ensure that achievements in all fields are acknowledged.
