

# BIZOX MEDIA NETWORK ORGANIZED 'GLOBAL TECHNOLOGY LEADERS AWARDS 2025'

FELICITATED AWARDS TO INDIVIDUALS FROM INDIA, USA, UAE & ALL OVER NATION

The Global Technology Leaders Awards 2025 is a prestigious recognition that honors the remarkable contributions of individuals in the field of technology across the USA, UK, India, UAE, Armenia, Canada, Mexico, Australia, and beyond. We are thrilled to announce that this year, we have received an overwhelming 24,500+ nominations from outstanding professionals and organizations across the United States, the United Arab Emirates, and India. It is with great pleasure that we now reveal and congratulate

a select group of awardees who have earned their place among the Global Technology Leaders Awards 2025. These individuals and organizations have demonstrated perseverance, performance, and dedication, with a strong focus on innovation, creativity, and excellence in their respective fields.

The entire Award are supported/associate as, Powered by: I-Novate Technologies Ltd., Organized by: Bizox Media Network, Magazine Partner: The CEO Magazine

## MR. ABHISHEK TREHAN FOR ACHIEVING MOST INSPIRING TECHNOLOGY LEADER OF THE YEAR - DATA ENGINEERING & DATA SCIENCE (USA)

Mr. Abhishek Trehan is a visionary leader in Data Engineering, AI, and Data Science, currently serving as Vice

President at JPMorgan Chase & Co. With over a decade of experience, he has led enterprise data solutions, AI-driven analytics, and regulatory data modernization in financial services. A thought leader and mentor, Abhishek has contributed to AI research, judged top tech awards, and published extensively on machine learning and blockchain security. His expertise continues to drive data-driven insights and innovation in the industry.

## MR. INDRAVADAN PATEL FOR ACHIEVING BEST USE OF TECHNOLOGY - INFORMATION TECHNOLOGY (USA)

Mr. Indravadan Patel is a Technology Leader at CGI, is a renowned expert in software architecture, cybersecurity, AI, and cloud computing. With 21

years of experience, he has led enterprise modernization, AI-driven analytics, and cybersecurity resilience. An IEEE Senior Member, he actively contributes to global tech competitions and industry research, judging prestigious awards like Globee® and SWE WE Local. His work in cloud security, fraud detection, and AI automation continues to shape digital transformation worldwide.

## MR. SOURAV SETHIA FOR ACHIEVING BUSINESS INTELLIGENCE & DATA ANALYTICS LEADER OF THE YEAR - INFORMATION TECHNOLOGY (USA)

Mr. Sourav Sethia is a distinguished Business Intelligence and Analytics Engineer based in New York, with over a decade

of expertise in data analytics and business intelligence. Holding a Master's in Business Analytics from the University of Connecticut, he has contributed to industries including finance, retail, insurance, and healthcare. Currently at Amazon, Sourav enhances supply chain and last-mile delivery systems globally. Previously, he held key roles at Cisco, Netomi, and Tata Consultancy Services, driving AI

innovations and operational efficiency. Recognized for his contributions to India's digital ecosystem and honored as a Global Tech Hero, he is also a Senior IEEE member and actively involved in philanthropy.

## MR. AJAY NARAYAN FOR ACHIEVING TECHNOLOGY INNOVATIVE LEADER OF THE YEAR - INFORMATION TECHNOLOGY (USA)

Mr. Ajay Narayan is a visionary technology leader with over 17 years of experience in Oracle Cloud Technology, AI, cybersecurity, and procurement

solutions. He has led cross-functional teams to develop ground breaking innovations, enhancing operational efficiency and digital transformation. Known for his strategic vision and technical expertise, Ajay is a passionate advocate for tech education and innovation, fostering the next generation of leaders. His excellence has earned him major industry recognitions, reinforcing his influence in shaping the future of enterprise technology.

## MR. CHITTARANJAN PRADHAN FOR ACHIEVING LEADERSHIP EXCELLENCE IN DATA ENGINEERING - INFORMATION TECHNOLOGY (USA)

Mr. Chittaranjan Pradhan is a seasoned expert in Data Engineering and Financial Trading Systems, with a strong background in data

lakes, warehouses, and distributed platforms such as Cloudera Hadoop and Snowflake. He specializes in real-time data pipelines, Kafka, Spark, and ETL/ELT processes with a focus on data governance and quality. With extensive experience in API connectivity, trade lifecycle workflows, and financial markets, he has played a key role in pre/post-trade operations. His technical expertise includes Java, Python, C++, SQL/NoSQL, DevOps, and cloud technologies, making him a highly respected leader in the field.

**MR. DHEERENDRA YAGANTI  
FOR ACHIEVING INSPIRING  
YOUTH ENTERPRISES  
AWARD - SOFTWARE  
DEVELOPMENT (USA)**

Mr. Dheerendra Yaganti is a Senior Software Engineer with over 10 years of expertise in Microsoft .NET technologies, cloud computing (Azure & AWS), AI/ML integration, and modern web development. Skilled in designing scalable, secure applications using .NET Core, ASP.NET Core, Blazor, React.js, and Angular, he specializes in cloud-native and serverless solutions, AI-driven applications, and DevOps automation. Passionate about digital transformation, performance optimization, and security, Dheerendra delivers future-ready technology solutions that drive innovation and efficiency.

**MR. DILEEP KUMAR RAI  
FOR ACHIEVING GLOBAL  
EXCELLENCE IN SUPPLY  
CHAIN INNOVATION -  
AI-ENHANCED CLOUD-  
DRIVEN SOLUTIONS (USA)**

Mr. Dileep Kumar Rai is a renowned technology leader specializing in Oracle Cloud ERP, AI-driven supply chain optimization, and digital transformation. With over 14 years of experience at Fortune 500 companies like Boeing, Oracle, and Mayo Clinic, he has led large-scale cloud-based ERP and SCM implementations, driving multimillion-dollar savings. A certified Oracle specialist with an MBA in Supply Chain Management, Dileep is recognized for his leadership in process optimization, AI-driven analytics, and global supply chain innovation.

**MR. MUNIKRISHNAIAH  
SUNDARAMAIAH FOR  
ACHIEVING GLOBAL  
TECHNOLOGY LEADERS  
AWARDS - TECHNICAL  
DATA ARCHITECT (USA)**

Mr. Munikrishnaiah Sundaramaiah is a seasoned Data Architect with over 17 years of experience in data analytics across healthcare, marketing, and banking sectors. Holding a Master's degree, he specializes in Enterprise Data Warehouses, Business Intelligence, and Big Data enablement. Currently leading data-driven regulatory and compliance initiatives at a major US bank, he ensures data integrity while mentoring teams. Proficient in SQL, Python, Hadoop, Spark, and cloud platforms, Munikrishnaiah's expertise and leadership make him a distinguished professional in data architecture and analytics.

**MR. SEVINTHI KALI SANKAR  
NAGARAJAN FOR ACHIEVING  
DIGITAL TRANSFORMATION  
& INNOVATION LEADER OF  
THE YEAR - INFORMATION  
TECHNOLOGY (USA)**

Mr. Sevinthi Kali Sankar Nagarajan is a seasoned Senior Data Architect and Machine Learning Engineer with over 20 years of expertise across automotive, telecom, and banking industries. With a strong academic background in mathematics and computer applications, he specializes in building secure, scalable data platforms and AI/ML models for risk assessment, fraud detection, and compliance in banking. An active contributor to research and mentoring, Sevinthi's leadership and technical acumen establish him as a distinguished expert in data engineering and artificial intelligence.

**MR. VENKATA BALADARI  
FOR ACHIEVING FINTECH  
EXCELLENCE AWARD OF  
THE YEAR - INFORMATION  
TECHNOLOGY (USA)**

Mr. Venkata Baladari is a Senior Software Developer specializing in scalable financial technology systems, cybersecurity, AI, and cloud infrastructure. With a strong research background in computer science, AI, and cybersecurity, he has contributed valuable insights to the industry. His expertise includes fraud detection, automation, and regulatory-compliant cloud solutions for financial institutions. A dedicated innovator and mentor, Venkata integrates emerging trends and AI-driven automation to optimize fintech solutions, making a significant impact on business operations and technological advancements.

**MR. KRISHNAMURTHY  
OKU FOR ACHIEVING  
TECHNOLOGY LEADERSHIP  
AWARD FOR CLOUD  
INFRASTRUCTURE  
& AI - INFORMATION  
TECHNOLOGY, USA**

Mr. Krishnamurthy Oku is a seasoned IT professional with 18+ years of experience, specializing in Microsoft Azure administration, cloud architecture, and data protection. As an Azure Architect at AT&T Services Inc., he focuses on cloud migration, infrastructure automation, and security governance. His expertise includes CI/CD pipelines, backup infrastructure, disaster recovery, and cost-efficient cloud optimization. Krishnamurthy has successfully led multi-million-dollar cloud migration projects, setting industry benchmarks in AI-driven infrastructure optimization, security, and digital transformation.

**SRI RAMA CHANDRA  
CHARAN TEJA TADI  
FOR ACHIEVING MOST  
EMERGING & INNOVATIVE  
SOFTWARE DEVELOPER  
- INFORMATION  
TECHNOLOGY (USA)**

Sri Rama Chandra Charan Teja Tadi is a Full-Stack .NET Developer with 10 years of experience in designing and developing scalable web, cloud, and microservices applications. Holding a Master of Science in Information Technology from Florida International University, he specializes in C#, ASP.NET Core, WCF, SQL Server, Angular, React, and cloud platforms like Microsoft Azure. With expertise in DevOps, CI/CD, and performance optimization, he focuses on building secure, high-performance enterprise solutions while mentoring teams and staying ahead of technological advancements.

**MR. JEBARAJ VASUDEVAN  
FOR ACHIEVING MOST  
EMERGING & INNOVATIVE  
TECHNOLOGY LEADER OF  
THE YEAR - DATA SCIENCE  
& AI (USA)**

Mr. Jebaraj Vasudevan is a Senior Manager of AI and Data Science at Visa Inc., USA, leveraging data science and analytics to drive data-driven decision-making for business and product stakeholders. With 9+ years of experience in FinTech and engineering, he specializes in extracting insights to solve complex business challenges. Jebaraj holds two Master of Science degrees from Purdue University and the University of Texas at Austin, along with a Bachelor of Engineering from College of Engineering, Guindy, reflecting his deep expertise in AI and Data Science.

**MR. KARTHIKEYAN  
MARAPPAN FOR  
ACHIEVING LEADERSHIP  
EXCELLENCE IN DIGITAL  
TRANSFORMATION  
& INNOVATION  
- INFORMATION  
TECHNOLOGY (USA)**

Mr. Karthikeyan Marappan is a dynamic technology leader with 21+ years of experience in Information Technology, specializing in record-keeping, product development, data, and reporting for the Retirement Services and Financial Industry. He has led multiple business and technology transformation initiatives, driving customer engagement, profitability, and operational efficiency. His expertise includes retirement plan lifecycle management, policy administration,

investment management, and global delivery partnerships. With strong leadership, cross-functional team management, and strategic decision-making skills, he continues to drive innovation and digital transformation in the financial sector.

**GLOBAL TECHNOLOGY LEADERS AWARD 2024****MR. JOYDEB MANDAL  
FOR BEING AWARDED  
CHIEF TECHNOLOGY  
OFFICER (CTO) OF THE  
YEAR - IT & BPM**

Joydeb Mandal, an innovative supply chain transformation expert, has been recognized globally for his extraordinary contributions to Supply Chain business process transformation and his role as a trusted advisor to Fortune 500 companies across a wide range of industries. With over 23 years of experience and educational achievements from prestigious institutions such as IIM Calcutta and MIT, Mandal has established himself as a distinguished authority in the supply chain field. His expertise in delivering exceptional value has led to his recognition on a global stage.

**Bizox Media Network** is a premier and foremost organization based in India & UAE.
